

LOUISIANA PRIMARY FOREST INDUSTRY LISTING - KEY SHEET

INDUSTRY DESCRIPTION

(abbreviation) (description)

EMPLOYMENT CLASS

(category) (range)

Ch	= chipper		A =	1-3			
" -mbl	= mobile chip operation		B =	4-9			
" -mill	= stationary chip mill		C =	10-19			
			D =	20-49			
Char	= charcoal		E =	50-99			
			F =	100-199			
Compost	= compost operation		G =	200-499			
			H =	500-999			
Dk	= dry kiln		J =	1000+			
Dm	= dimension mill						
			OPERATING STATUS				
			(abbreviation)	(description)			
Ew	= engineered wood						
" -lvl	= laminated veneer lumber						
" -ij	= laminated I joists		CN	= changed name			
" -lb	= laminated beams		FT	= full time			
			I	= idle			
Misc	= miscellaneous operation		PT	= part time			
			SD	= shut down			
Mulch	= mulch producer						
Pallet	= pallet manufacturer		TYPE WOOD USED				
			(abbreviation)	(description)			
Pan	= panel mill						
" -mdf	= medium density fiberboard		PINE	= Southern yellow pine			
" -osb	= oriented strandboard		HDWD	= mixed hardwood			
" -par	= particleboard		CYP	= baldcypress			
" -ply	= plywood		DFIR	= Douglas fir			
" -ven	= veneer						
" -waf	= waferboard						
Pp	= paper and/or pulp						
" -bkp	= bleached kraftboard						
" -cm	= corrugated medium						
" -fe	= felt						
" -fp	= fine papers						
" -ib	= insulation board						
" -kb	= kraftboard						
" -kp	= kraft paper						
" -lb	= linerboard						
" -np	= newsprint						
" -pu	= pulp						
" -wr	= writing paper						
Peeler	= pole/piling/log peeling plant						
Shaver	= shaving mill						
Sm	= sawmill						
" -c	= custom/part-time/portable sawmill						
" -h	= hardwood sawmill						
" -s	= softwood sawmill						
" -b	= both hardwood & softwood species						
Tp	= pressure treating plant						
" -cc	= chromated copper arsenate						
" -co	= copper naphthanate						
" -cr	= creosote						
" -pe	= pentachlorophenol						
Wd	= wood dealer						
Wpc	= wood procurement center
