

**TIMBER STUMPAGE VALUES
CALENDAR YEAR 2012**

Listed below are the timber stumpage values set by the Louisiana Tax Commission and the Louisiana Forestry Commission, as provided by law. These values are for the Calendar Year 2012.

The values listed below were determined by the Commissions following an examination of stumpage price information collected from mills, procurement centers, and/or timber purchasers.

	Stumpage Values			
Pine Saw timber	\$249.63	Per M Bd. Ft.	\$31.20	Per Ton
All Hardwood & Cypress Saw timber	\$337.84	Per M Bd. Ft.	\$35.56	Per Ton
Pine Chip-N-Saw	\$52.16	Per Cord	\$19.32	Per Ton
Pine Pulpwood	\$22.43	Per Cord	\$8.46	Per Ton
Hardwood Pulpwood	\$20.87	Per Cord	\$7.32	Per Ton

The regular severance tax rate is 2 ¼% of the above saw timber and chip-n-saw stumpage values and 5% of the above pulpwood values.

EFFECTIVE DATE: January 1 – December 31, 2012

All other forest products (ties, poles, piling, veneer logs, etc) to be computed by weight or scale. Saw timber Values are based on the Doyle Log Rule and other values are based on a standard cord (128 Cu. Ft.). The following are conversion factors used:

MBF Pine Doyle Scale	=	16,000 lbs.	=	8.00 Tons
MBF Hardwood Doyle Scale	=	19,000 lbs.	=	9.50 Tons
C-N-S	=	5,400 lbs.	=	2.70 Tons
Cord Pine	=	5,400 lbs.	=	2.70 Tons
Cord Hardwood	=	5,700 lbs.	=	2.85 Tons
