**REMARKS:** This Transfer Form is to be used when transferring any Certified class of Bulk Small Grain or Rice, out-of-state, or to an approved Facility within the state, when said lot has met the requirements for Certification for the Kind, Variety & Class noted on this form. This form is **NOT** to be used for Certified Seed being sold to the final disposition (Retail Sale).

**SELLER/SHIPPER:** One copy of this form must be sent to the Louisiana Department of Agriculture & Forestry (LDAF), a copy must accompany the seed in transit, and a copy is to be retained for your records.

**BUYER/PROCESSOR:** Immediately upon receipt, Section III of this form must be completed, and a copy sent to LDAF, and a copy retained for your records.

*The Louisiana Department of Agriculture & Forestry certifies the seed, but is not responsible for the actions of the grower. To use this form on seed that does not meet the requirements for the kind, variety, class and stage of conditioning is a violation of Law.*
