

## CUT FLOWER DEALER PERMIT

The Louisiana Horticulture Law states that no person shall receive fees, advertise, or solicit business in a regulated profession or occupation unless he holds the appropriate license or permit, or has a regular employee who holds the appropriate license or permit, or is employed by a person who holds the appropriate license or permit. For specifics on what each license or permit authorizes, see Section 3808 of the Horticulture Commission Law. All licensees are required to place at least one of their license numbers on all business related vehicles that have advertisements on them (Section 115 E of regulations).

### Cut Flower Dealer Permit

Authorizes the holder to sell cut flowers, either singly or in bunches. Flowers cannot be arranged in any fashion. In order to apply for a cut flower dealer permit the applicant must be involved in the business of selling cut flowers. A Louisiana State Sales Tax number, issued by Louisiana Department of Revenue and Taxation (225/219-7318), is required prior to issuance of permit.
