

## WHOLESALE FLORIST

The Louisiana Horticulture Law states that no person shall receive fees, advertise, or solicit business in a regulated profession or occupation unless he holds the appropriate license or permit, or has a regular employee who holds the appropriate license or permit, or is employed by a person who holds the appropriate license or permit. For specifics on what each license or permit authorizes, see Section 3808 of the Horticulture Commission Law. All licensees are required to place at least one of their license numbers on all business related vehicles that have advertisements on them (Section 115 E of regulations).

### Wholesale Florist License

Authorizes the holder to prepare and sell cut flowers, plant materials and ornamental plants to retail florists and cut flower dealers. Cannot make and/or sell floral arrangements.
