March 15, 2018

Strain urges ag, forestry stakeholders to join the legislative process

On the heels of a special legislative session in which very little was accomplished pertaining to the state budget, we are now entering into the regular legislative session. The time frame for the regular session will be shortened intentionally to force the legislature to work diligently during the time allotted. As always, I will be at the Capitol every single day. I will be watching and fighting for and against those bills that will positively and negatively affect agriculture, forestry, aquaculture and rural economic development.

Everything will move quickly. We will work feverishly to keep bills in motion or they will die on the calendar. We will also work to get our bills passed before the end of the shortened regular session. That is the goal.

If you want positive change, here is what I need from you. I need you to pay attention. Pay attention to what bills are being heard each day. You can follow the activities of the legislature online at www.legis.state.la.us. You can even watch the committee hearings and what happens on the House and Senate

floors in real time.

Because this is not a fiscal session, the budget will be considered based on the revenue that is currently available. There is approximately \$1 billion less than what state government had available last year. The legislature will attempt to make cuts. Who and what will those cuts impact? It is critical that we watch how this affects agriculture, forestry, aquaculture and rural development – specifically in the research and extension areas.

Call your legislators when you have a concern. As a former state legislator and now your Commissioner of Agriculture and Forestry (LDAF), we want you to tell us how we can help you. We invite you to come to the Capitol. Did you know that the public has the right to speak on the bills in committee? You certainly do. I even have an office on the third floor of the state capitol. Come see me, please pay attention and voice your concerns. You have a voice.

Here is a list of bills that will be filed on behalf of the Louisiana Department of Agriculture and Forestry:

2018 Legislation

TBD - Revises timber statutes	Rep. Jack McFarland
HB 313 - Provides for the frequency of meetings for the Louisiana Agricultural Commodities Commission	Rep. Andy Anders
HB 624 - Revises weights and measures statutes	Rep. Clay Schexnayder
HB 212 - Revises agricultural and timber theft statutes	Rep. Katrina Jackson Rep. Stephen Dwight
HB 393 - Revises livestock dealers statutes	Rep Terry Brown

SB 10 - Revises forestry retirement system	Sen. Barrow Peacock
SB 168 - Provides for confidentiality of investigative records	Sen. Francis Thompson
SB 28 - Makes corrections to ACT 76 and Act 236 of 2017 Regular Session	Sen. Freddie Mills

Louisiana Agriculture & Forestry Today

USDA Designates Natural Disaster Areas

The U.S. Department of Agriculture (USDA) has designated 25 Louisiana parishes as primary natural disaster areas because of a recent drought, said Agriculture and Forestry Commissioner Mike Strain, D.V.M.

According to the U.S Drought Monitor, these parishes suffered from a drought during the growing season. As a result, some Louisiana farmers could be eligible for

assistance.

The parishes included in the primary disaster designation areas are: Bienville, Bossier, Caddo, Caldwell, Catahoula, Claiborne, DeSoto, East Carroll, Franklin, Grant, Jackson, LaSalle, Lincoln, Madison, Morehouse, Natchitoches, Ouachita, Red River, Richland, Sabine, Tensas, Union, Webster, West Carroll, and Winn.

Contiguous parishes include: Avoyelles, Concordia, Rapides and Vernon.

Strain said agriculture producers in these parishes are eligible for low interest emergency (EM) loans from USDA's Farm Service Agency (FSA), provided eligibility requirements are met. Farmers in eligible areas have eight months from the date of the declaration to apply for loans to help cover part

of their actual losses. FSA will consider each loan application on its own merits, taking into account the extent of losses, security available and repayment ability. FSA has a variety of programs, in addition to the EM loan program, to help eligible farmers recover from adversity.

Local FSA offices can provide affected farmers with further information.

CATTLE

Attention: Bull sellers and buyers. All non-virgin bulls and bulls older than 24 months for sale in Louisiana must have a current negative trichomoniasis test from an accredited veterinarian before they may be sold. Virgin bulls must have a breeder's certification of virgin status signed by the breeder, the breeder's agent or an accredited veterinarian. For more information, contact the LDAF Animal Health Services and Food Safety at 225-925-3980 or visit the website at www.ldaf.state.la.us.

REMINDER: Have all of your heifer calves between four and 12 months of age vaccinated against brucellosis. For information contact your local veterinarian, LDAF animal health personnel, your parish Cattlemen's Association or parish Farm Bureau.

Report Ag/Forestry crimes to LDAF

Crimestoppers and the Louisiana Department of Agriculture and Forestry can help you solve livestock, farm equipment or timber theft and forest arson crimes.

Your anonymous tip which leads to the arrest and conviction may get you a cash reward.

The sooner a crime is reported the better chances of recovering the stolen items.

Report Forestry-related crimes to 225-925-4500

Cattle Theft and other ag-related crimes to

1-800-558-9741.

Download the new Horticulture app today

With our new mobile horticulture application, it's now simple to verify individuals claiming to be horticulture professionals. Did you know? Work such as plant bed preparation, bedding plant installation, landscape design, lawn irrigation system installation, tree trimming and fertilizer application all must be conducted by someone licensed through LDAF. Be sure an individual is licensed before you hire them.

The new mobile app is available for both Apple and Android users. You can verify a horticulture license, permit of a business or file a complaint. Download it at the iTunes and Google Play stores.

Fresh produce farmers, packers, distribution centers

The Louisiana Department of Agriculture and Forestry is able to provide fresh produce farmers, packing facilities and distribution centers in Louisiana with basic Good Agriculture Practice/Good Handling Practices (GAP/

GHP) audits, as well as, GAPs Harmonized audits (with or without the Global addendum).

GAP audits are a voluntary for hire service that 29certifies a producer's efforts to provide safe, quality product free from contamination to

the consumer.

For more information or to schedule an audit, contact Audrey Carrier at our Hammond office at 985-543-4024 or email acarrier@ldaf.state.la.us.

Arrests made in cattle deaths

Baton Rouge, La. (March 9, 2018) – Four individuals are under arrest in connection with the deaths of a cow and three calves in St. Landry Parish.

Following a tip, the Louisiana Department of Agriculture and Forestry (LDAF) Brand Commission and St. Landry Parish Sheriff's Department arrested 20-year-old Jameson LaGrange of Leonville, 21-year-old Jacob Hebert of Port Barre, 21-year-old Kaitlin Gauthier of Port Barre, and 18-year-old Christian Meche

of Port Barre. All are charged with four counts of simple criminal damage to property valued at \$6,500 and four counts of aggravated cruelty to animals.

"This is a complete disregard for

Pictured from left are, Kaitlin Gauthier, Jacob Hebert, Jameson LaGrange and Christian Meche. Photos provided by the St. Landry Parish Sheriff's office

someone's property, livelihood and the lives of these animals," said LDAF Commissioner Mike Strain, D.V.M.

On March 3, 2018, LDAF Brand Commission Inspectors received a complaint from a rancher in reference to

cattle killed on the levee near Port Barre.

A cow and three calves were found dead in the pasture portion of the levee. It appeared they had been run over by a truck. Witnesses told investigators they heard what sounded like trucks mud riding in the

area around midnight on March 3.

"Once we put the word out that we were looking for those responsible for this crime, members of the public came forward with information to help solve this case. We greatly appreciate their willingness to do so," said Strain.

Bond is set at \$35,000 for each suspect. The Port Barre and Leonville Police Departments assisted in the

investigation.

All LDAF brand inspectors are commissioned by Louisiana State Police and have authority in the performance of their duties.

LDAF now accepting SCBGP applications

Baton Rouge, La. (March 9, 2018) – The Louisiana Department of Agriculture and Forestry (LDAF) is now accepting applications for the 2018 Specialty Crop Block Grant Program (SCBGP), Commissioner Mike Strain, D.V.M., announced today.

Applications must be received no later than close of business (4:30 p.m.) April 23, 2018.

The LDAF will administer the grant program funded through the United States Department of Agriculture – Agricultural Marketing Service (USDA-AMS). The LDAF anticipates at least \$406,749.14 to be allocated to fund Louisiana projects.

The grants are to be used for projects that solely enhance the competitiveness of Louisiana-grown specialty crops like fruits, vegetables, tree nuts, dried fruits, horticulture, Christmas trees, turf grass/sod, nursery and greenhouse crops.

Applicants must reside in or their organization or educational affiliation must be in Louisiana. All applicants are required to obtain a Data Universal Numbering System (DUNS) number and include that number on their application.

Grant funds will not be awarded for projects that directly benefit a particular commercial product or provide a profit to

single organization, institution or individual. Projects should focus on issues to help improve specialty crop industries as a whole such as: distribution, production, research, market development, food safety, promotion and education. Individual farms are not eligible to apply; however, producer associations, state and/or local organization, state or local governments, qualified educational institutions, non-profits and other specialty crop stakeholders are eligible recipients.

LDAF will accept grant applications with a yearly budget

value of up to \$100,000. Grants can be awarded for projects lasting up to two years and 11 months.

Once the deadline has passed, all applications submitted to the LDAF will be carefully evaluated to determine if the projects are qualified based on the criteria listed in the guidelines. All submitted project applications deemed qualified will be reviewed and scored by a panel consisting of industry stakeholders, and the panel will make funding recommendations to LDAF. All LDAF approved projects will be incorporated into one state grant request, which will be submitted to the USDA.

LDAF has prepared a Request for Applications (RFA) document detailing application instructions, scoring criteria, federal forms, project format examples and other helpful information from the USDA. The document may be found at www.LDAF.la.gov. Click on the 2018 Specialty Crop alert.

A complete list of eligible specialty crops may be found at <http://www.ams.usda.gov/AMSV1.0/scbgpdefinitions>.

Rapides Parish logger arrested for timber theft

Baton Rouge, La. (March 12, 2018) – Louisiana Department of Agriculture and Forestry investigators with the forestry division have arrested a 55-year-old Pineville man for allegedly harvesting 10 acres of land and not compensating the landowner.

Michael Edwards, who owns M&M Logging Co. of Pineville, La., was arrested March 12, 2018.

Last month, the LDAF received a complaint from a Rapides Parish landowner that Edwards never paid the landowner proceeds from the land that was

harvested in 2016.

"During the investigation, we discovered that Edwards allegedly misappropriated more than \$14,000 that belonged to the landowner," said Agriculture and Forestry Commissioner Mike Strain, D.V.M.

Edwards also reportedly admitted to

stealing the timber and was booked into the Rapides Parish Jail.

If convicted, Edwards faces jail time up to 10 years and/or a fine of not more than \$10,000.
