WWW.LDAF.LA.GOV

LOUISIANA DEPARTMENT OF AGRICULTURE & FORESTRY
MIKE STRAIN DVM, COMMISSIONER

Workers help unload containers of unwanted pesticides and chemicals at the the first LDAF pesticide pickup which was held on Dec. 10, 2019 in Winnsboro, La. and resulted in the collection of 37.6 tons of unwanted pesticides and chemicals.

Second UNWANTED PESTICIDE PICK-UP PROGRAM

Louisiana Department of Agriculture & Forestry
Mike Strain DVM Commissioner

Baton Rouge, La. (March 9, 2020) – The Louisiana Department of Agriculture and Forestry (LDAF) has scheduled its second pesticide pick-up location to collect unwanted pesticides from agricultural producers across the state who need assistance disposing of them properly.

The second date of the Unwanted Pesticide Pick-Up Program will be on April 2, 2020 from 7 a.m. until 1 p.m. at the St. Landry Recycling Center located at 2717 West Landry St., Opelousas, La. 70570.

“Last fall, 37.6 tons of pesticides and chemicals were picked up at a location in Winnsboro, La.,” said Commissioner of Agriculture and Forestry Mike Strain, D.V.M. “This program not only helps our ag producers but also helps protect people and the environment in Louisiana by properly disposing of these items.”

Eligible items include but are not limited to partially full containers of pesticides and pesticide products that are

cancelled or expired.

The program is being conducted at various locations in the state and will continue on an annual basis. There is no cost to the farmer, and it is completely anonymous for those who wish to participate.

Currently in Louisiana, an individual wishing to dispose of pesticide products must contact a licensed contractor for disposal, which results in a costly fee based on pounds of product(s) submitted for disposal. The LDAF program will not require a fee for the disposal of unwanted pesticides. The cost of the program is funded through fees associated with pesticide manufacturers’ product registrations in Louisiana. All pesticides offered for sale in Louisiana must be registered annually with the LDAF.

The LDAF has retained a licensed contractor for the program. This contractor will assume all responsibility for pesticide products delivered to the designated locations and for disposal.

LOUISIANA AGRICULTURE & FORESTRY TODAY

Rapides Parish man arrested for timber theft

Baton Rouge, La., (March 6, 2020) – A Rapides Parish man is accused of theft of timber valued at \$178,270.51.

Melvin Darren Edwards was arrested March 5, 2020 by Louisiana Department of Agriculture and Forestry enforcement agents.

In 2019, LDAF enforcement agents received a complaint from the owners of two tracts of timberland totaling 180 acres located in Rapides Parish. The landowners reported that in 2018, Melvin “D.D.” Edwards was hired to log these two tracts of land. Investigators said

the landowners suspected they were not paid for all the timber hauled off the property as a result of some notable inconsistencies with timber payments.

Following an investigation, the LDAF enforcement division determined Edwards concealed the proceeds from the sale of the timber from the owners.

“Timber is a valuable, long-term investment. It is important to pay attention to what is being hauled off your property so you can be properly compensated. Of course, we are here to help if you believe

you are being taken advantage of,” said LDAF Commissioner Mike Strain, D.V.M.

Edwards was booked into the Rapides Parish Jail on one count of theft of timber greater than 25,000. Bond was set at \$25,000. Edwards has reportedly bonded out.

If convicted, Edwards could receive a fine up to \$10,000 and/or jail time up to 10 years.

To report suspected timber theft, contact the LDAF Office of Forestry at 225-925-4500 to file a complaint.

Attention: Bull sellers and buyers. All non-virgin bulls and bulls older than 24 months for sale in Louisiana must have a current negative trichomoniasis test from an accredited veterinarian before they may be sold. Virgin bulls must have a breeder's certification of virgin status signed by the breeder, the breeder's agent or an accredited veterinarian. For more information, contact the LDAF Animal Health Services and Food Safety at 225-925-3980 or visit the website at www.ldaf.state.la.us.

REMINDER: Have all of your heifer calves between four and 12 months of age vaccinated against brucellosis. For information contact your local veterinarian, LDAF animal health personnel, your parish Cattlemen's Association or parish Farm Bureau.

Outbound Horticulture Trade Mission to Italy

Italy
September 20 – 21, 2020

From a variety point of view, Italy is one of the richest and commercially interesting markets in Europe. The production ranges from cut flowers to houseplants, from garden plants to big park and landscape products. In Italy we find unique Mediterranean specialties like ornamental citrus tree in terracotta pots or olive trees with many different varieties and forms. The demand for 'exotic' and Mediterranean potted plants is increasing among Northwest European consumers. The climate in Southern EU countries, specifically Italy, also benefits from the cultivation of specific potted plants, for example with large green plants and Mediterranean plants. Italy has 32,000 producing companies with 56,834-acre production. In total, horticulture contributes € 2,3 billion gross productions. Italy is in third place in terms of area of greenhouses in Europe after Spain and Turkey. The ornamental nursery market in Italy represents 5% of total Italian agricultural production. It contributes for 15% of the European horticultural production, confirming its position as one of the most important, dynamic and original market. This trade mission will focus on the opportunities and market of the plant nursery industry in Italy and will aim on creating new business/matchmaking.

AgMagic set for April 20-26 on LSU campus

(03/09/20) BATON ROUGE, La. — Hundreds of young people will have the chance to learn about Louisiana agriculture through fun activities when the LSU AgCenter holds its annual AgMagic educational event April 20 to 26 in Baton Rouge.

Visitors will be guided through a series of interactive exhibits on topics such as plants, animals, insects, nutrition and 4-H programs. It will take place in the John M. Parker Coliseum on the LSU campus.

Registered school groups will tour AgMagic April 20 to 24. Teachers may schedule time slots

for their classes by visiting <http://bit.ly/2VYsXRJ>.

The event will be open to the public April 25 to 26 from 10 a.m. to 3 p.m. both days. Admission is free.

Those interested in volunteering at AgMagic can sign up at <http://bit.ly/3aMld9D>.

In May, the AgMagic experience will be offered in the New Orleans area. Students will visit from May 5 to 8, while anyone can come May 9.

Go to www.LSUAgCenter.com/AgMagic for more information.
