NATIONAL AGRICULTURE DAY ANNOUNCED FOR MARCH 22

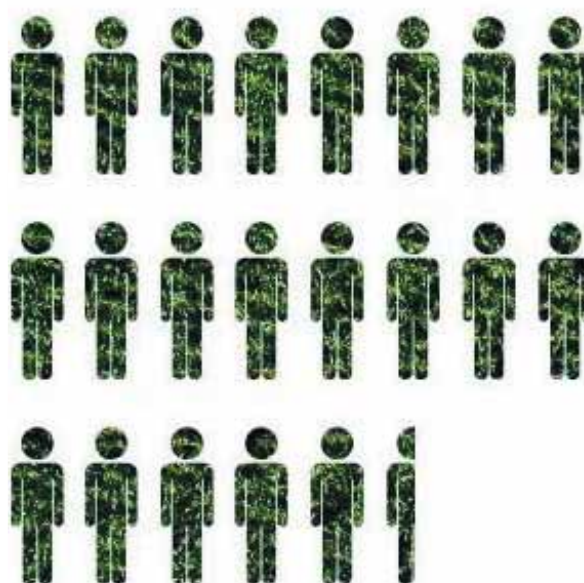

National Agriculture (Ag) Day is on March 22, 2022, and it is created to highlight and celebrate the dedication of America's farmers and the contribution of agriculture to our everyday lives. We all enjoy the benefits of Agriculture on a daily basis, from the food we eat to the clothes we wear. But do we truly understand this correlation or grasp the amount of dedication and sacrifice that goes into producing these resources?

Just in case you didn't realize how much agriculture impacts your life, here is a list of products we use every day that come from plant and animal byproducts produced

by America's farmers and ranchers:

- Health care: Pharmaceuticals, surgical sutures, ointments, latex gloves, x-ray film, gelatin for capsules, and heart valves, to name a few.
- Construction: Lumber, paints, brushes, tar paper, drywall, and tool handles.
- Transportation: Fuel, lubricants, antifreeze, tires, and upholstery.
- Manufacturing: Adhesives, solvents, and detergents.
- Printing: Paper, ink, and film.
- Personal Care Products: Shampoo, cosmetics, lotions, fingernail polish, and toothpaste.
- Education: Crayons, text-

books, chalk, desks, pencils, and paper.

- Sports: Uniforms, baseball bats, leather equipment, and shoes.

And this list is in no way exhaustive. There are many more products that have ties to agriculture. This is just one of many examples of why it is important to bring awareness to the public regarding agriculture's role in modern society.

Agriculture is too important to be taught only to the small percentage of students considering

careers in agriculture and pursuing vocational agricultural studies. Agricultural literacy includes understanding agriculture's history and current economic, social, and environmental significance to all Americans.

The National Ag Day program encourages every American to:

1. Understand how food and fiber products are produced. Increased knowledge of agriculture and nutrition allows individuals to

make informed personal choices about diet and health.

2. Value the essential role of agriculture in maintaining a strong economy.
3. Appreciate the role agriculture plays in providing safe, abundant, and affordable products. Informed citizens will be able to participate in establishing the policies that will support a competitive agricultural industry in

CERTIFIED DELICIOUS RECIPES

DOUBLE “J” CAJUN FRIED CATFISH STRIPS

Submitted by Guidry’s Catfish, Inc.

Ingredients:

- 4 pounds U.S. Farm-Raised catfish strips
- 1/8 cup prepared yellow mustard
- 1 1/2 teaspoon salt
- 1 teaspoon black pepper
- 1 1/2 cayenne pepper
- 2 teaspoons onion powder
- 2 teaspoons garlic powder
- 1 pound Guidry’s Fish Fry
- Peanut oil for frying

Instructions:

Preheat oil in deep fryer to 350 degrees F. Prepare a pan or baking sheet by placing several layers of either paper towels or brown paper bags in it (used to absorb the excess oil after frying). Place all spices in a small mixing bowl. Mix thoroughly. Place catfish in a large mixing bowl. Coat the catfish with the mustard, then sprinkle the coated fish with the spice blend, making sure to evenly coat all pieces of fish.

Pour fish fry into another mixing bowl or deep pan. Place the coated fish into the bowl containing the fish fry. Roll the catfish strips in the fish fry until well coated. Place catfish strips into hot oil and cook until the strips float to the top and are a golden brown. Remove from the fryer and drain. Place fish in pan that has been prepared with several layers of paper towels or brown paper bag to remove any excess oil. Serve with Guidry’s Original or Jalapeno hushpuppies and French fries or coleslaw. C’est Bon!

CRAWFISH ETOUFFE

Submitted by Panola Pepper

Ingredients:

- 2 pounds of crawfish tails, peeled
- 2 sticks of butter
- 2 large onions
- 1 clove of garlic
- 3 green onions, chopped
- 1/2 cup bell pepper
- 1/2 cup celery
- 2 tablespoons flour
- 1/2 bunch of parsley
- 1 cup chicken/vegetable/seafood broth
- 1 8 ounce can of tomato sauce
- 1/2 can of cream of mushroom soup
- 3 tablespoons Panola Gourmet Pepper Sauce
- 1 tablespoon fresh thyme

Instructions:

Sauté onions, garlic, green onions, bell pepper, and celery in butter over medium heat. Add flour and continue to simmer until browned. Add the broth and cream of mushroom soup, and stir until all are combined. Add tomato sauce, Panola Gourmet Pepper Sauce, and thyme. (I usually add a tablespoon of all-purpose seasoning as well). Once everything is well incorporated, add the clean crawfish tails. Cook on low heat for about 10 minutes to let all the flavors incorporate into the sauce. Top with green onions and parsley. Serve over Panola Popcorn Rice.

BLACKENED SHRIMP ALFREDO

Submitted by A Cajun Life, LLC

Ingredients:

Pasta:

10 ounces of fettuccini pasta

Shrimp:

1½ - 2 pounds of extra-large shrimp, peeled and deveined
 2 tablespoons A CAJUN LIFE® All Purpose Cajun seasoning
 2 teaspoons A CAJUN LIFE® Blackening Rub
 ½ teaspoon sea salt
 2 tablespoons butter

Alfredo Sauce:

8 tablespoons butter
 2 cloves of garlic, minced
 2 cups of heavy cream
 ½ cup whole milk
 ½ teaspoon sea salt
 ½ teaspoon coarse black pepper
 ¾ - 1 cup freshly grated Parmesan cheese
 parsley for garnish

Instructions:

In a large pot of boiling salted water, cook pasta according to package instructions and drain.

Shrimp: Toss the shrimp with the seasonings and melt 2 tablespoons of butter in a large cast iron skillet over medium-high heat. Add the shrimp in a single layer and cook for 3-4 minutes per side. Cook in multiple batches if necessary but do not crowd the pan as this will cause the shrimp to steam. Transfer cooked shrimp to a plate and set aside.

Alfredo Sauce: Melt butter in medium saucepan over medium heat. Add the garlic and cook for 2 minutes until it becomes fragrant, making sure not to burn the garlic. Add the cream, milk, salt, and pepper bringing it to a low boil. Reduce the heat to medium-low, and simmer for 8-10 minutes. Turn off the burner and add the cheese, stirring until cheese is melted and incorporated.

Assembly: Add pasta to sauce, tossing to combine with tongs. Serve pasta warm, garnish with shrimp, parsley, and parmesan cheese if desired.

Kaleb LeMoine Selected as Louisiana's National FFA Officer

A committee of Louisiana FFA members and agricultural leaders have selected Kaleb LeMoine as the 2022 Louisiana FFA National Officer Candidate. The committee met at the Hotel Bentley in Alexandria on February 25th and interviewed four FFA members for the position.

The selection process scored prospective candidates in a series of National FFA Officer competencies including communication, teamwork, character, influence, and areas of knowl-

edge. The prospective candidates demonstrated

these competencies in five rounds. In these rounds, the candidates participated in personal interviews, facilitated leadership workshops for FFA members, advocated for agriculture with industry professionals, and presented an extemporaneous speech on an agricultural topic.

LeMoine is a freshman at Tulane University where he is majoring in Political Economy and Legal Studies in Business. He graduated from Elton High School

in 2021, and he served as the Louisiana FFA State President from 2020-2021. During his time as State President, he provided leadership for his fellow state officers and 10,000 Louisiana FFA members during the COVID-19 pandemic.

LeMoine says, "I'm proud to be Louisiana's National FFA Officer Candidate because it gives me an opportunity to cultivate new relationships with students, industry leaders, and educators. This role enables

me to represent Louisiana and be a reflection of the transformational power of agricultural education and FFA."

He will represent Louisiana at the National FFA Convention in October. LeMoine will compete against candidates from all fifty states, Puerto Rico, and the Virgin Islands for six National Officer positions. If elected, he will be only the sixth Louisiana FFA member ever elected to national office since 1930.

Louisiana FFA Area Officers Meet for State Leadership Delegates Conference

Twenty-three Louisiana FFA Area Officers gathered at South Louisiana Community College in Lafayette for the annual State Leadership Delegates Conference (SLDC). Conference attendees worked to formally kickoff the 2022 Louisiana FFA delegate process, a student-led program in which FFA members drive positive change for the organization.

State FFA Officers facilitated training for the Area Officers to prepare them for roles as leadership delegates at the State FFA Convention. The Area Officers will lead four committees of FFA members to debate issues affecting agricultural education and FFA and develop committee recommendations to address those issues. Training focused on parliamentary procedure and committee facilitation techniques.

At the State FFA Convention, each FFA chapter is entitled to two delegates to conduct business. Over 400 delegates work in their committees, set annual membership dues, approve State FFA Degree recipients, and elect State FFA Officers. The process highlights FFA's focus on student leadership development and demonstrates the organization's core value of being student-led.

Annie Heard, Area II President from Winnfield, says, "FFA has allowed me to develop authentic leadership skills. Students often have a difficult time under-

standing what leadership really means. It's more than speaking in public. It's engaging people, giving others a voice, and inspiring others to be their best. At SLDC, we get to actively work as students to make positive changes in our organization. We hold the keys to determine how the future of FFA and agricultural education will look in Louisiana."

Louisiana FFA delegate committees will meet at the Randolph Riverfront Center in Alexandria on June 6 as part of the State FFA Convention. Approved committee reports will be forwarded to the State FFA Executive Board for further action in September.

2022 Volunteer Fire Assistance grant now available

The Volunteer Fire Assistance (VFA) grant assists in training, equipment purchases, and prevention activities on a cost-share basis. The assistance is provided to increase firefighter safety, improve the firefighting capabilities of rural volunteer fire departments, and enhance protection in the urban-wildland interface.

The VFA Program (VFA) is a 50-50% matching federally funded grant program designed to provide funds to qualifying fire departments to be used for the "prevention and suppression of fires." The VFA program was originally authorized in Title IV of Public Law 92-419, "The Rural Development Act of 1972." The act has been amended; the VFA Program is now contained in Section 10(b)3 of the Cooperative Forestry Assistance Act.

Only departments serving communities with 10,000 or fewer population counts (current census) may be considered for funding. However, "multi-community" departments may be approved even though the 10,000-population limit is exceeded within the area served, provided no single community served exceeds the 10,000-population count. A department or fire district is considered a "multi-community" department if within the official area served there exist two or more recognized communities, each of which must contribute financial support towards and combine resources for the operation of a single department serving all the communities involved.

VFA funds are dispersed through the United States Forest Service to participating state agencies. The Louisiana Department of Agriculture and Forestry, Office of Forestry, is responsible for the promotion, application review, and dispersal of VFA funding within the state. VFA funding must be matched on a 50-50 basis by non-federal dollars.

For more information on additional eligibility requirements and the application forms, visit <https://www.ldaf.state.la.us/forestry/protection/forestry-protection-programs/>. The deadline to apply is July 1, 2022.

Soil Test Kits Available

Are you a homeowner planning to sod a new lawn? Or spruce up our yard with a few tree additions, flowers, or shrubs? Maybe you are wanting to start a vegetable garden to help offset the cost of rising food prices.

Well now is the time to pick up a soil test kit.

The vitality of your lawn and garden depends on your soil, but soil properties are often overlooked. If your soil does not have sufficient nutrients, you will not be able to grow a robust garden.

The LSU AgCenter Soil Test and Plant Analysis Soil testing can eliminate the guesswork and reveal exactly how much

fertilizer, lime or sulfur will be needed for specific plants to be grown in a particular type of soil.

Many people have soil samples tested only when plants are in trouble, but the time to test and amend your soil is before the problems occur.

Soil testing will provide you with the information you need to treat your soil so your plants will flourish.

So don't guess, soil test!!!

You can also get your mail-in kit by contacting the lab, your parish LSU AgCenter extension office, or a local garden center.

For a complete list of places to pick up soil test kits, visit www.LSUAgCenter.com/SoilTest.

La. taxpayers can donate overpayments to 4-H facility

As Louisiana residents begin filing state income tax returns, they have another charitable option to which they can donate their refund.

A bill authored by Rep. Joseph Orgeron and passed by the state legislature in 2021 allows taxpayers to donate all or part of their adjusted overpayment or refund to the LSU AgCenter 4-H Grant Walker Educational Center. The center is home to Louisiana's 4-H camp. Donations will provide quality field trips, off-season programs, and other outstanding educational opportunities.

4-H Camp at Camp Grant Walker is celebrating 100 years in 2022, the past two of which have been difficult. The facility has been shuttered because of the COVID-19

LSU AgCenter photo from 4-H camp

pandemic and damage endured during hurricanes Laura and Delta in 2020.

But the campgrounds won't be

quiet this year. With repairs underway, another season of 4-H Camp is planned for this summer.

"To better serve new gener-

ations, the camp needs more than repairs; it needs upgrades," said Patrick Tuck, executive director of the Louisiana 4-H Foundations. "These enhancements can expand offerings, update technology and improve the overall camp experience."

Taxpayers who would like to donate their overpayment and use a certified public accountant can advise their accountant to include the donation when filing. Others can download a PDF (enter donation amount on page 6, line 19 of the IT-540 Schedule D form) or file online.

More information can be found on the Louisiana Department of Revenue website at [https://revenue.louisiana.gov/TaxForms/IT540Bi\(2021\).pdf](https://revenue.louisiana.gov/TaxForms/IT540Bi(2021).pdf).

this country and abroad.

4. Acknowledge and consider career opportunities in the agriculture, food, and fiber industry. Employment opportunities exist across the board in agriculture. Career choices include farm production, agribusiness management and marketing, agricultur-

al research and engineering, food science, processing and retailing, banking, education, landscape architecture, urban planning, energy, and other fields.

National Ag Day is part of National Agriculture Week, which is March 20 - 26, 2022. The Agriculture Council of America organiz-

es National Ag Day and will host a virtual Ag Day event and events in Washington, DC, on March 22. This will mark the 49th anniversary of National Ag Day. The theme this year is "Growing a Climate for Tomorrow."

At LDAF, we'd love for every day to be Ag Day and every week to celebrate agriculture since we

believe in the importance of telling the true story of American agriculture and reminding citizens that agriculture is a part of all of us. We hope you'll join us in recognizing the importance of agriculture in our country and the great state of Louisiana.

SOUTHERN UNIVERSITY AGRICULTURAL RESEARCH AND EXTENSION CENTER

GOOD AGRICULTURAL PRACTICES (GAP) ASSISTANCE PROGRAM

The Southern University Agricultural Research Center (SUAREC) is able to provide training, technical assistance, and monetary support to Louisiana Produce Growers that are pursuing their first USDA GHP/GAP audit. First priority will be given to growers that have attended a SUAREC GAP Workshop or participate in an upcoming workshop. There are two program options: 1) up to a 75% reimbursement for passing your first USDA GAP Audit, not to exceed \$1000.00 or 2) complete the three tier program with \$1000.00 being the maximum amount awarded to a grower/operation.

Tier 1: \$500

In order to qualify for tier one you must attend two one-on-one technical assistance sessions and submit a completed Farm Food Safety Plan. [Must be completed by June 30th]

Tier 2: \$250

In order to qualify for tier two you must have completed tier 1 and have a mock audit at your operation conducted by SUAREC. [Must be completed by June 30th]

Tier 3: \$250

In order to qualify for tier three you must have completed tiers 1 & 2 and pass a USDA GAP/GHP audit. [Must be completed by June 30th]

Registration will close on April 1st, 2022. Below is the link/QR code to register, space is limited due to funding.

LDAF's Dr. Ansel Rankins wins 2022 Louisiana Nursery and Landscape Association's Professional Achievement Award

An achievement is something that someone has succeeded in doing, especially after a lot of effort. Professional achievements are things a person did that had a lasting impact on their industry, company, or client. It is a result personally brought about while fulfilling a particular role. The Louisiana Nursery and Landscape Association's (LNLA) winner for the 2022 professional achievement award is a hometown boy of Mississippi. Still, he has made a significant mark on the Green Industry and Agriculture of Louisiana, and we are proud to have him. Congratulations, Dr. Ansel Rankins, Sr.

Dr. Ansel T. Rankins, Sr., is a native of Greenville, Mississippi. He is married to Tramecha Rankins, celebrating 25 years this August! They have two sons, Ansel Jr. and Jaylon, and a daughter, Jasmine, in heaven.

Dr. Rankins graduated from Greenville High School and received an undergraduate degree in agronomy from Alcorn State University. He achieved his best and still had fun in his high school band as a drum major and in college playing the tuba.

Dr. Rankins began his career with

the Louisiana Department of Agriculture and Forestry in 2006 as an agricultural and environmental specialist. In 2008, he was promoted to assistant director of the Horticulture and Quarantine Division. In 2015, he accepted the position of director of the Horticulture and Quarantine Division. As the director, he served as the state plant regulatory official for the National Plant Board and as state liaison for all federal plant pest issues.

While pursuing his career, Dr. Rankins also earned his master's and doctorate degrees from Southern University and A&M College.

In 2019, Dr. Ansel Rankins was selected by Dr. Mike Strain to serve as the Office of Agricultural and Environmental Sciences (AES) assistant commissioner. As the assistant commissioner, he oversees the four divisions of AES: Agricultural Chemistry, Horticulture and Quarantine, Pesticide, and Environmental and Seed.

During his career with LDAF, he has served as the member board executive to the board of directors for the Council of Landscape Architectural Registration Boards (CLARB). He has served as the

secretary, treasurer, vice president and is currently serving as the president of the Southern Plant Board. He also continues to serve as a board member of the National Plant Board.

Dr. Rankins has received many awards during his career for his outstanding professional achievements, including the American Society of Landscape Architects' "Service to the Profession Award"

and the "Professional of the Year" award from the Louisiana Irrigation Association. Dr. Rankins and his boys are members of the Alpha Phi Alpha fraternity, and he still pursues his passion for music as well, playing bass guitar in church.

Congratulations, again, to this year's Louisiana Nursery and Landscape Association's Professional Achievement Award winner, Dr. Ansel Rankins!

restaurants all across Louisiana. Dot Bonnecaze attributes this growth to good business decisions, including joining the Certified Louisiana program.

I met Dot and her husband Ronnie at a trade show many years ago and invited them to join LDAF's Certified Louisiana program. During my recent visit to Bonnecaze Farms Grits Mill, they shared how much the decision to become Certified Louisiana has meant to their business. It helps to assure their clients and customer base that they are authentically local and proud to be from Louisiana.

Bonnecaze Farms was the second stop on our journey as *Crawfish Tales* travels across Louisiana, profiling our Certified Louisiana companies. We look forward to the opportunity

to showcase more stories from the fields of our growing community of Certified Louisiana families.

IPM Essen Summer Edition

Essen, Germany

June 13-14, 2022

IPM ESSEN is the world's leading trade fair covering the plant industry in its entirety, ranging from production, technology, floristry, garden features and point of sale. As the IPM ESSEN in January 2022 was cancelled the fair organizers will host the IPM Summer Edition on June 13-14, 2022. During this one-time IPM Summer Edition the green industry will meet again in Essen for a summery two-day networking get-together with event character.

SUSTA is offering a unique opportunity to participate in the IPM Essen Summer Edition, which will allow horticulture exporters to meet with buyers in the market face-to-face this year, making it the first time to go back to market since the beginning of the pandemic. Should your organization feel uncomfortable traveling, SUSTA's consultant will represent your brand for you at this event and will share any buyer leads and help facilitate virtual meetings with the interested buyers. We hope you join us for the exciting experience!

Participation Fee: \$500

Fee Includes:

- Display counter set-up plus shared areas and furnishings
- Up to \$250 reimbursement for shipping product samples with proper documentation
