

§515. Obligations of Owners

A. Any owner of equine that are physically located in Louisiana shall timely accomplish the following mandatory requirements, except as provided in §517 herein.

1. Every owner shall have a permanent individual equine identification for each of their equine completed not later than the time of the initial test for EIA called for herein and as otherwise provided for in these EIA rules and regulations.

2. Every owner shall, at the following times, have their equine tested by an approved EIA testing laboratory with blood samples drawn by a testing veterinarian and shall maintain written proof of and the results of such tests for not less than 24 months.

a. Every owner shall have all of the owner's equine tested for EIA at least every 12 months.

b. Every owner shall have all of the owner's foals first tested for EIA no later than one year after the foals are born.

c. Every owner shall have all of the owner's equine coming into the state accompanied with written proof of said equine having been tested negatively for EIA not more than 12 months prior to the date of the equine's entry into the state.

d. Every owner shall have all equine, for which written proof of a negative EIA test cannot be provided, immediately quarantined, tested for EIA, and permanently and individually identified within 20 days of the date upon which an unfulfilled request for written proof of a negative EIA test is made by an authorized agent of the board.

e.i. Owners must test for EIA any equine, except EIA positive equine and S branded equine, that is for any length of time:

(a). in the presence of any equine quarantined holding area; or

(b). in the presence of an EIA positive equine; or

(c). on the same premises as an EIA positive equine; or

(d). on a premises with a perimeter less than 200 yards from the perimeter of the premises of an EIA positive equine.

ii. Said test shall be conducted no earlier than 30 days after the date of the EIA test of the EIA positive equine.

iii. The owners shall ensure that said test for EIA is conducted no sooner than 30 days and, to the extent possible, no later than 60 days from the last date upon which the owners' equine was in the presence of the EIA positive equine or in any of the aforementioned places, but, in any event, the said EIA test shall be conducted.

f. Every owner shall have all equine that are to have their ownership changed tested for EIA within six months prior to the change.

g.i. Every owner offering equine for sale at public livestock markets without written proof of a negative EIA test conducted within six months of sale or without permanent individual equine identification shall have the equine quarantined, fitted with permanent individual equine identification if not already so fitted, tested for EIA and the results of a negative EIA test before the equine may be removed from quarantine.

ii. All such owners shall have the blood sample drawn for the EIA test before the equine leaves the public livestock market.

iii. If no veterinarian is available for official EIA testing of equine at a public livestock market, EIA testing shall be conducted by an authorized agent of the board.

iv. Prior to the drawing of blood for the EIA test required by §515.A.2, the owner shall authorize payment of the testing fee for the EIA test to the testing veterinarian.

v. The purchaser of the equine shall pay the identification fee before the equine leaves the public livestock market.

h. Every owner offering equine for sale at public livestock markets without permanent individual equine identification shall have said equine fitted with permanent individual equine identification before said equine leaves the public livestock market.

3. Every owner shall have all of the owner's equine stabled at a racetrack governed by the Louisiana State Racing Commission which are EIA positive immediately and individually quarantined and removed from the racetrack. Owners of other equine which were in the same or directly adjacent stall barns as an EIA positive equine shall be tested for EIA. The EIA testing shall, to the extent possible, as determined by the board, be conducted no sooner than 30 days and no later than 60 days after the date upon which the EIA positive equine was removed from the presence of the equine being tested but, in any event, the said EIA test shall be conducted.

4. Every owner shall immediately, upon receipt of knowledge of a positive EIA test, quarantine and thereafter maintain quarantine of all EIA positive equine until the end of the equine's life as provided herein.

5.a. Every owner shall have all equine which test positive for EIA branded by an authorized agent of the board with a 72A brand at least 3 inches in height on the left shoulder immediately upon receipt of the positive EIA test report.

b. Upon request by the owner to the board, an owner shall be permitted to retest the EIA positive equine by a veterinarian employed by the board prior to a 72A brand being placed on the EIA positive equine.

6. In no event shall any EIA positive equine be moved from one immovable premises to another without a VS Form 1-27 Permit issued by an authorized agent of the board accompanying the EIA positive equine.

7. Every owner who receives notice of a positive EIA test shall inform all other owners of the relevant equine of the test results within 24 hours of having received notice of the EIA test results.

8.a. Every owner shall cause the ending of the life of or end the life of all equine testing positive for EIA, immediately upon notice of the positive result of the EIA test and shall provide verification of the death of such equine by written and signed statement of the owner which shall be furnished to the office of the State Veterinarian.

b. In the event any EIA positive equine is to be sold for slaughter, the owner shall secure a VS Form 1-27 Permit issued by an authorized agent of the board before the equine may be moved from the premises where the EIA positive equine was quarantined and the owner shall cause the EIA positive equine to be accompanied with the VS Form 1-27 Permit issued by an authorized agent of the board when the EIA positive equine is en route to or at the public livestock market.

c. When the equine is sold for slaughter a properly completed VS-Form 1-27 Permit may serve as the verification called for herein.

9.a. Upon written or oral request by an authorized agent of the board, all owners shall immediately make available written proof of an EIA test demonstrating compliance with the EIA testing requirements of these EIA rules and regulations. If the requested written proof is not provided to an authorized agent of the board, the equine shall be presumed to be untested.

b. When a change of possession, custody or ownership of an equine occurs, the owner transferring possession, custody or ownership shall physically transfer to the transferee written proof of the most recent EIA test of the equine transferred.

10. Every owner of equine shall provide the names, addresses and telephone numbers of all other owners, if any, to the board upon the request of an authorized agent of the board.

11. Every owner shall, without prior notice, permit and assist authorized agents of the board in the inspection of equine and inspections to determine compliance with these EIA rules and regulations, including inspection of the equine's permanent individual equine identification, inspection of the manner in

which any EIA quarantine is being maintained, inspection of the collection of blood samples for EIA tests and inspections relating to the establishment of EIA quarantines.

12. All owners of an equine are responsible and liable in solido to the board for any violation of these EIA rules and regulations involving that equine.
